

## **2017 JTW'S BLEND PREMIUM RED WINE – HORSE HEAVEN HILLS**

Selected by our son Joshua, the **2017 JTW's Blend** is Thurston Wolfe's proprietary blend of **CABERNET SAUVIGNON (50%)** and **ZINFANDEL (50%)**, creating a rare wine with aromas of dark fruit (cherry, cassis, strawberry and plum) and oak spice (vanilla and allspice) and a rich, full-bodied finish. Source of the Cabernet and Zinfandel was the Horse Heaven Hills. The 2017 vintage was warmer than normal but with a mild fall, ideal for ripening and producing red wines with ripe tannins. Grapes were harvested late September to mid-October, fermented to dryness in open top fermenters, and aged 20 months in a mixture of French and American oak. Enjoy with prime rib, leg of lamb and hickory smoked brisket. 396 cases produced and released summer of 2019.
