2019 PGV (PINOT GRIS – VIOGNIER) WHITE TABLE WINE - COLUMBIA VALLEY

The **2019 PGV** is Thurston Wolfe's unique blend of **51% Viognier** and **49% Pinot Gris**. Viognier is known for its peach and tropical fruit aromas and high viscosity when fully ripe. It perfectly complements Pinot Gris' delicate perfume, moderate body, minerality and higher acidity. The appellation sources for the grapes are Horse Heaven Hills (Zephyr Ridge and Coyote Canyon Vineyards – warm sites) for Viognier and the Yakima Valley (Crawford Vineyard – cool site) for Pinot Gris. Both varieties were picked in late September, blended and co-fermented in stainless steel. The wine was finished with 12.5% alcohol, 0.6% residual sugar, 0.66% titratable acidity (TA) and 3.3 pH. It has aromas of tropical fruit, white peach, jasmine and citrus; it is full-bodied and finished with crisp acidity on the palate. Perfect with chicken recipes, steamed mussels, clam linguini and other seafood dishes or on a warm summer afternoon with friends. 3380 cases produced and released December 2019.
